I am aware that during any of the Pacific Crest activities – including, without limitation, auditions, rehearsals, trips, and competitions – certain hazards may occur, including but not limited to, the hazards of accidents or illness, which may occur at places without medical facilities; hazards created by the forces of nature; and hazards of travel by air, train, bus, automobile, and other means, including physical exercise, marching, running, and walking, dancing, manipulating props, and playing a musical instrument.
